

The University of California Davis, Department of Surgery

Section of General Thoracic Surgery

Sacramento, California

Academic General Thoracic Surgeon

The Department of Surgery, Division of Cardiothoracic Surgery, Section of General Thoracic Surgery at the University of California, Davis seeks to recruit a full-time, academic general thoracic surgeon. The academic rank will be at the assistant or associate professor level within the Health Science or Clinical X series.

The Section of General Thoracic Surgery at the UC Davis Medical Center is a nationally recognized program that offers the top level of care for patients with thoracic disease. We provide expansive services for the surgical treatment of non-cardiac, benign and malignant diseases of the chest, including the lungs, esophagus, chest wall, airway, mediastinum and diaphragm. In addition, the Division of Cardiothoracic Surgery educates trainees as part of two training residencies for ABTS eligibility: 1) Independent 2-year Pathway and 2) Integrated 6-year Pathway.

The candidate will be expected to develop a research focus in Health Services/Outcomes Research, Clinical Research, Translational Research, or equivalent academic endeavor. This selected individual will be expected to participate in clinical care, teaching, research and university service.

Basic Qualifications:

Qualified candidates must possess a Medical Degree; and be eligible or certified by the American Board of Thoracic Surgery. The candidate should have a strong interest and expertise in thoracic oncology, minimally invasive thoracic surgery (VATS and/or Robotics) and esophageal surgery. The candidate must have the ability to work cooperatively and collegially within a diverse environment.

Additional Qualifications:

Candidates must be able to obtain a California Medical License and a California Fluoroscopy Operator's Permit before the start date.

Preferred Qualifications:

Research interests in Health Services/Outcomes Research are preferred
Interests in mesothelioma is preferred, but not required

Salary will be based upon experience and qualifications.

Qualified applicants should apply online at UC Recruit <https://recruit.ucdavis.edu/apply/JPF01975> by uploading 1) A cover letter outlining background and research experience, 2) Contributions to Diversity Statement, 3) complete *Curriculum Vitae*, and 4) the names and contact info of at least three professional references.

For questions regarding this position, please send e-mail to the search committee chair, Dr. David T. Cooke at: surgery.jobs@ucdmc.ucdavis.edu

For full consideration applications must be received by **January 10, 2018**. However, the position will remain open until filled through **June 30, 2018**.

This recruitment is conducted at the assistant/associate rank. The resulting hire will be at the rank of assistant or associate, regardless of the proposed appointee's qualifications.

UC Davis commits to inclusion excellence by advancing equity, diversity and inclusion in all that we do. We are an Affirmative Action/Equal Opportunity employer, and particularly encourage applications from members of historically underrepresented racial/ethnic groups, women, individuals

with disabilities, veterans, LGBTQ community members, and others who demonstrate the ability to help us achieve our vision of a diverse and inclusive community.

For the complete University of California nondiscrimination and affirmative action policy see: <http://policy.ucop.edu/doc/4000376/NondiscrimAffirmAct>. If you need accommodation due to a disability, please contact the recruiting department.

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986. Certain positions funded by federal contracts or sub-contracts require the selected candidate to pass an E-Verify check. More information is available <http://www.uscis.gov/e-verify>.
