

University of California, Davis Health
Department of Obstetrics and Gynecology

Division of Maternal Fetal Medicine
Assistant, Associate or Full Professor
Clinical "X" or Health Sciences Clinical Professor Series

The Department of Obstetrics and Gynecology at the University of California, Davis Health seeks to recruit a full-time Maternal Fetal Medicine Physician. The position will be recruited at the Assistant, Associate or Full Professor Rank in the Clinical "X" or Health Sciences Clinical Professor series based on experience and qualifications.

Applicants must possess an MD or DO from an accredited medical school and have or be eligible to obtain a California Medical License. Candidates must be board certified or eligible in Obstetrics and Gynecology and have successfully completed an accredited fellowship and be sub-specialty board certified or board eligible in Maternal Fetal Medicine.

Additional requirements include clinical experience in pre-eclampsia/eclampsia, preterm labor, prenatal diagnosis, ultrasound and genetics, demonstrated clinical skills and judgment, teaching effectiveness and proficiency in clinical investigation. Applicants must have the ability to work cooperatively and collegially within a diverse environment, and be able to adhere to policies and procedures. Preferred qualifications include fetal intervention and advanced fetal ultrasonography, including fetal echocardiogram. Individuals with specialized interest in prenatal diagnosis and ultrasound are preferred.

Position responsibilities will include the management of patients with high-risk obstetrical conditions, both inpatient and outpatient, as well as surgery and procedures; teaching fellows, residents, medical students and non-MFM fellows is expected and research duties will include translational science and/or clinical research to meet the goals of the department. Salary and level of appointment will be based upon experience and qualifications.

For full consideration, applications must be received by October 9, 2017.

The position will remain open until filled through June 30, 2018.

To apply for the position; a Cover Letter, Curriculum Vitae, Statement of Contributions to Diversity and contact information of 5 references should be uploaded to <https://recruit.ucdavis.edu/apply/JPF01806>
