

University of California, Davis, Department of Surgery

ACADEMIC PEDIATRIC SURGEON

The Department of Surgery at the University of California, Davis; School of Medicine seeks to recruit a full-time academic pediatric surgeon at the Assistant, or Associate rank in the Clinical X, or In-Residence series depending on experience and qualifications.

The successful candidate should have a strong interest in minimally invasive and pediatric trauma surgery with a focus on Health Services Research (HSR). The selected candidate will have responsibilities on the Surgery service which include general pediatric, thoracic, trauma and fetal surgical specialties at the University of California Davis Health System and Children's Hospital, and Shriner's Hospital for Children – Northern California. The selected candidate is expected to participate in teaching, clinical care, both inpatient and outpatient; in addition to research relating to pediatric and fetal surgery. Dependent upon the academic series, the individual will be expected to develop a research focus in pediatric surgery and develop the HSR area of the division, or equivalent academic endeavor.

Basic Qualifications:

Qualified candidates must possess a Medical Doctorate, have graduated from an ACGME accredited pediatric surgery residency program, have completed an approved pediatric surgical fellowship and be board certified or eligible in general surgery and pediatric surgery. A commitment to research activity is required. The ability to work cooperatively and collegially within a diverse environment is also required.

Preferred qualifications include demonstrated clinical teaching and health services research skills, and experience in Minimally Invasive Pediatric Surgery, Trauma, and Fetal Therapy.

Additional Qualifications:

The candidate must acquire a CA Medical License, and California Fluoroscopy Supervisor and Operator's permit before the appointment start date.

For full consideration applications must be received by December 1, 2017

However, the position will remain open until filled or through June 30, 2018

Qualified applicants should apply online at UC Recruit: <https://recruit.ucdavis.edu/apply/JPF01921> by uploading a letter of interest outlining research, educational, and administration experience; curriculum vitae with bibliography; statement of contribution to diversity, and the names and contact information of at least three professional references.

For more information, please contact the search committee chair, Shinjiro Hirose, MD at:

This recruitment is conducted at the assistant/associate rank and the resulting hire will be at the rank of assistant or associate, regardless of the proposed appointee's qualifications.

UC Davis commits to inclusion excellence by advancing equity, diversity and inclusion in all that we do. We are an Affirmative Action/Equal Opportunity employer, and particularly encourage applications from members of historically underrepresented racial/ethnic groups, women, individuals with disabilities, veterans, LGBTQ community members, and others who demonstrate the ability to help us achieve our vision of a diverse and inclusive community.

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986. Certain positions funded by federal contracts or sub-contracts require the selected candidate to pass an E-Verify check. More information is available <http://www.uscis.gov/e-verify>.
